## Description

This three-bedroom villa in the La Marina area of San Fulgencio represents modern housing with its own pool and spacious plot. The total area of the house is 99 square meters, the terrace covers an impressive 85 square meters, and the 240 square meter land plot provides enough space for comfortable living.

The villa layout includes three bedrooms and two bathrooms, which is an optimal configuration for a family. Three bedrooms allow for accommodating parents and children in separate rooms, as well as organizing a guest room or home office for remote work.

The 85 square meter terrace is an outstanding advantage of this pr...
