Description

This three-bedroom villa in the San Fulgencio Pueblo area represents spacious housing with its own plot and pool. The total area of the house is 116 square meters, the terrace covers 50 square meters, and the 176 square meter land plot provides privacy and opportunities for garden landscaping.

The villa layout includes three bedrooms and two bathrooms, which is a comfortable configuration for a family with children or a couple who frequently hosts guests. Spacious rooms and thoughtful layout ensure functionality of the living space.

The 50 square meter terrace is a significant advantage of this property. This space allow...
