## Description

Villa in Calpe, Spain. Puerto area, 4 bedrooms, 268 m<sup>2</sup>, Spain. Villa sits in Calpe's Puerto neighbourhood, an area known for its lively waterfront character, everyday amenities and a strong sense of local life alongside the marina. This part of town suits buyers looking for a property in Spain that feels connected rather than remote, with cafés, restaurants and services close by and the coastline within easy reach.

Set within a gated community, the villa is a new building scheduled for completion in 2025 and offers 268 m<sup>2</sup> of total built area on a 200 m<sup>2</sup> plot. The layout is designed for modern living, with lift access between level...
