Description

Penthouse in Finestrat is located in the prestigious Balcon de Finestrat-Terra Marina district and represents a modern top-floor apartment with two bedrooms, two bathrooms and a living area of 80 square meters.

The huge terrace of 89 square meters is the main advantage of this penthouse. The terrace space, exceeding the living area of the apartment, allows organizing several functional outdoor zones: a dining area for family meals, a lounge area with comfortable furniture for relaxation, a sunbathing spot and even a small potted garden. Thanks to the Mediterranean climate, the terrace can be enjoyed most of the year.
