Description

Penthouse in Finestrat is located in the prestigious Balcon de Finestrat-Terra Marina district and represents an exclusive offering with three bedrooms, two bathrooms and a living area of 103 square meters.

The main feature of this penthouse is the spacious terrace of 115 square meters, which exceeds the living area of the apartment itself. Such terrace space opens up unlimited possibilities for organizing several relaxation zones: a dining area with a large table, a lounge area with soft furniture, a sunbathing spot and even a mini container garden. The terrace becomes a full-fledged outdoor living space.
