Description

Townhouse in Torrevieja is located in the popular La Siesta district and represents a two-story house with two bedrooms and two bathrooms with a total area of 65 square meters.

The townhouse format implies having its own entrance and usually a small patio or terrace, which distinguishes it from regular apartments. At the same time, shared walls with neighboring houses provide better energy efficiency compared to detached villas. Two floors allow you to divide the living space into day and night zones, which creates a feeling of more space.

Having two full bathrooms is a significant advantage of this townhouse. This ensur...
