## Description

Villa in Torrevejea is located in the Calas Blanca district and represents a detached house with its own plot of 190 square meters.

The main advantage of this villa is having its own land plot of 190 square meters. This space can be used to create a garden, a relaxation area with a barbecue, install an inflatable pool, or organize a playground. Private territory provides a level of privacy unavailable in apartments and townhouses, and allows you to enjoy outdoor living at any time.

The living area of the villa is 55 square meters and includes two bedrooms and one bathroom. The compact layout rationally uses every meter o...
