Description

These apartments in Torre Vieja are located in the Acequion district in immediate proximity to the Mediterranean coast. The total area of the apartment amounts to 81 square meters, the layout includes two bedrooms and two bathrooms, creating comfortable living conditions in the coastal zone of the city.

The Acequion district is one of the central areas of Torre Vieja, known for its location near the sea and beach infrastructure. Proximity to the coast allows reaching the beach on foot in just a few minutes. The surroundings are rich with cafes, restaurants, shops, and other everyday service facilities.
