Description

Penthouse in Centro, Torrevieja is a spacious 112 m2 property with three bedrooms and two bathrooms, located 400 meters from the sea. The property is in a complex with a communal pool, includes a parking space, and an impressive 128 m2 terrace.

A penthouse is the top floor of a building, providing maximum privacy, no neighbors above, and typically the best viewing characteristics. The 128 m2 terrace, exceeding the apartment's living area, is the main feature of this property, creating extensive outdoor living space.

Torrevieja center is the hub of city life with restaurants, shops, cafes, banks, and administrative instit...
