Description

Apartment in Centro, Torrevieja is a property with two bedrooms and two bathrooms in the central part of the city, on the first line from the sea. The property is equipped with air conditioning and is sold furnished, allowing immediate move-in without additional setup costs.

Torrevieja center is the heart of the city, where the main infrastructure is concentrated: shops, restaurants, cafes, banks, medical facilities, and administrative buildings. The first sea line location means immediate proximity to the waterfront and beaches, which is the main advantage of this location.
