Description

Apartment in Playa del Cura, Torrevieja is a 63 m2 property with two bedrooms and one bathroom, located on the first sea line in the central part of the city. The property is in immediate proximity to one of Torrevieja's main beaches with north-facing windows.

Playa del Cura is Torrevieja's central city beach, awarded the Blue Flag for water cleanliness and infrastructure quality. The apartment's first-line location means walking access to the beach literally within a few minutes. This advantage is especially valuable during summer season when one can visit the beach several times a day without needing car trips.
