Description

Apartment in La Siesta - El Salado - Torreta, Torrevieja is a spacious 67 m2 property with three bedrooms and one bathroom, located in a residential area of the city. The property is within walking distance of Torrevieja center and main infrastructure facilities.

The layout with three bedrooms on 67 m2 represents a compact but functional solution for a family or shared living. Three separate bedrooms allow accommodating a family with children or using one room as an office or guest room. This configuration is common in Spanish apartments, where layouts have historically been oriented toward the maximum number of separate rooms.
