Description

Apartment in Guardamar del Segura in the central area is offered for sale and represents a spacious residence of 154 square meters. This is a four-bedroom apartment with four bathrooms, located 700 meters from the coastline. The property is situated in a residential complex with a swimming pool and parking space, and also has a terrace of 16 square meters.

The central area of Guardamar del Segura is the heart of this coastal town, where the main city services and commercial establishments are concentrated. Traditional Spanish architecture, the central square, weekly market and local restaurants create an atmosphere of an authentic ...
