## Description

If you're looking to buy an apartment in Spain, this new-build apartment in Benijófar (Pueblo area) brings together day-to-day convenience, a traditional town setting, and modern building standards on the Costa Blanca.

Benijófar's Pueblo neighbourhood has a lived-in, local feel, with streets and small squares that keep you close to cafés, shops and everyday services rather than a purely seasonal resort atmosphere. It's a practical base for anyone who wants a property in Spain that works for regular use, longer stays, or lock-up-and-leave living—without being cut off from the wider Costa Blanca lifestyle.
