Description

This three-bedroom apartment in the central district of Torrevieja spans 76 m² and is located in a residential complex with a communal pool and parking. Such a combination of central location with gated community amenities is uncommon and attracts buyers who value urban infrastructure.

The apartment layout includes three bedrooms and one bathroom. Three bedrooms allow comfortable accommodation for a family with children or using one room as an office for remote work. The 76 square metre area provides sufficient space for everyday living.

The Centro district forms the business and commercial heart of Torrevieja. Main shop...
