## Description

Real estate in Spain buy. Instituto area, 3 bedrooms, 130 m2 — a new villa in the municipality of Rojas, built using modern technologies and materials. Instituto is a developing area with good infrastructure and transport accessibility to the coast.

The 130 m<sup>2</sup> villa includes three bedrooms, three bathrooms and an open plan living room with kitchen. Having three bathrooms (one for each bedroom) is a sign of modern premium housing. New construction implies energy-efficient solutions, modern communications and a warranty from the developer.

Southeast orientation provides maximum sunlight during the day. The terrace be...
