Description

Spain real estate. Zona Centro area,, Spain. Plot for sale in Orihuela places you in the heart of a well-established Spanish town, where everyday amenities, local services and year-round life are part of the landscape rather than a seasonal add-on.

Set within Orihuela's Zona Centro, this is a sizable landholding with a plot area of 27,351 m². The central setting makes it particularly relevant for buyers who want a property in Spain with access to the practical side of living and working locally—shops, administration, healthcare, schools and transport links are typically concentrated around a town centre environment.
