Description

Torrevieja, Spain. Buy a Bungalow in the Los Balcones area with 2 bedrooms and 81 m² — a new-build property in Spain designed for straightforward Mediterranean living on the Costa Blanca.

Los Balcones is known for its established residential feel, a calmer pace than the busiest central streets, and day-to-day convenience. This part of Torrevieja is well placed for local shops, cafés and services, making it easy to settle in for longer stays or year-round use. With the Costa Blanca climate and Torrevieja's international community, the area suits buyers looking for a practical base rather than a holiday-only address.
