Description

An excellent opportunity to acquire an apartment in the very center of Torrevieja — in the Centro area, where the heart of this beautiful Mediterranean city beats. This 58 m² property with 2 bedrooms and 1 bathroom is in original condition, providing you with a unique chance to create your dream space according to your taste and needs. An apartment in original condition is not a disadvantage, but an opportunity. You can renovate, choosing modern design, materials, and color schemes that fully reflect your individuality. The location in the very center of the city is the main advantage of this property. You will live surrounded by all urban ...
