Description

An exclusive apartment in the heart of Torrevieja awaits its new owner! This spacious 202 m² property presents a unique opportunity to create your dream home according to your own design. The apartment requires renovation, which opens unlimited possibilities for implementing your design ideas. 4 large bedrooms will comfortably accommodate the whole family or allow you to organize additional functional zones — a home office, library, or guest room. 2 bathrooms will provide convenience for all residents. The key advantage of this property is its location just 100 meters from the sea! Imagine: morning jogs along the promenade, daily swims in t...
