## Description

Compact studio of 37 m<sup>2</sup> in dynamic Torrevieja – an ideal solution for those who value minimalism, functionality, and proximity to the sea. Despite its small size, the thoughtful layout allows placement of everything necessary for comfortable living: a relaxation area, sleeping space, kitchen, and bathroom. This is an excellent option for young professionals, students, or investors seeking affordable property with high rental potential in the popular Costa Blanca resort. Torrevieja is not just a coastal city, it's a special lifestyle that combines Mediterranean character with modern amenities. The city attracts thousands of tourists and perma...
