Description

We present a compact and modern studio with an area of 30 m² in the popular Playa de los Náufragos area in Torrevieja, Spain. This studio is ideally suited for a single person, young couple, or as an investment property for tourist rental. Location just 250 meters from the beach makes this property particularly attractive – literally 2-3 minutes walk to the sea! The studio is located on the first floor and includes one bathroom with modern fixtures. Despite its compact size, the space is organized as functionally as possible, allowing for a comfortable living and relaxation area. A special advantage is the presence of air conditioning, whi...
