## Description

Whether you're seeking your dream holiday home, planning retirement abroad, or looking for a sound real estate investment, this property ticks all the boxes. Torrevieja stands out as one of Europe's most desirable coastal destinations, renowned for its extraordinary microclimate that the World Health Organization recognizes among the healthiest in the world. With over 320 days of sunshine annually, mild winters, and warm summers, the city provides ideal conditions for year-round living. The famous pink salt lakes not only create a unique landscape but also contribute to excellent air quality, particularly beneficial for respiratory health. ...
