## Description

Unique spacious 157 m<sup>2</sup> apartment in Torrevieja – a rare offering in the Costa Blanca property market. Such a large area for an apartment opens exceptional opportunities for comfortable living, while two bedrooms and one bathroom create particularly interesting layout – enormous public spaces are ideal for those who value spaciousness and light. The apartment is located in one of Torrevieja's developed districts, where life buzzes year-round. This is not seasonal housing, but full-fledged property for permanent residence with developed infrastructure: supermarkets, medical centers, schools, sports clubs, restaurants and cafes – all within wal...
