Description

With three bedrooms and two bathrooms, this property offers comfortable accommodation and excellent potential for permanent residence or seasonal seaside vacation. The 101 m² area provides spacious and functional rooms. Three bedrooms offer sufficient space for accommodating a family with children or organizing guest rooms. Having two bathrooms is an additional convenience, especially relevant for families with multiple members or when hosting guests. Modern layouts typically include a bright living room combined with dining area, fully equipped kitchen, and possibility of a balcony or terrace with views of the urban landscape or sea. Torre...
