Description

This 60 m² property will be an ideal choice for a young couple, single professional, or as an investment for short-term rentals. The layout includes a spacious bedroom with the possibility of accommodating a walk-in closet, a modern bathroom, and a bright living room combined with a dining area and kitchen. The property's location provides the highest level of comfort: within a 500-meter radius are all necessary infrastructure facilities — grocery stores, pharmacies, banks, a polyclinic, and bus stops. Playa del Cura central beach with developed beach infrastructure is just 8 minutes' walk away. Nearby are green squares for walks and sports ...
