Description

This apartment in Torrevieja is situated in the Parque de las Naciones neighbourhood, one of the most sought-after residential areas along the Costa Blanca coastline. The property spans 80 square metres across a well-designed layout on the fourth floor of a residential building. Parque de las Naciones is recognised for its proximity to the sea, abundance of green spaces, and comprehensive local amenities, making it a consistently popular choice among property buyers on Spain's southeastern coast.

The apartment comprises two bedrooms and two bathrooms, providing a functional and comfortable living arrangement. The dual-bedroom c...
