Description

Refurbished apartment in Torrevieja, located just 200 metres from the Mediterranean coastline. This 66 m² property offers a practical layout with one bedroom, one bathroom, and a terrace, situated on the first floor of a residential building with an elevator. The apartment has been fully renovated, allowing immediate move-in without additional refurbishment costs.

Torrevieja is a well-established coastal city on the southern Costa Blanca, province of Alicante. The city is known for its mild microclimate, with average annual temperatures around 18–20 °C and more than 300 sunny days per year. The World Health Organization has recogni...
