Description

Beachfront Studio in Mil Palmeras

We present a delightful studio with an area of 35 square meters in the prestigious Mil Palmeras area, municipality of Pilar de la Horadada. This is an ideal option for those looking for compact yet functional housing right on the shore of the Mediterranean Sea or wanting to purchase property for investment in a resort area.

The studio is located just 50 meters from the sea — this is truly the first line! The windows offer magnificent views of the sea surface, and you can reach the beach literally in one minute. Mil Palmeras is a quiet residential area with beautiful Blue Flag beaches, cr...
