## Description

Three-bedroom apartment with 88 square meters in the very center of Torrevieja. Location in city center provides maximum accessibility to all urban infrastructure and active life year-round. Only 500 meters to the sea — comfortable distance for daily walks.

Torrevieja center is the heart of the city with its famous promenade, numerous shops, international cuisine restaurants, cultural centers and entertainment venues. Life always buzzes here: fresh food markets operate, city celebrations and festivals take place. At the same time, the area remains comfortable for permanent residence thanks to developed infrastructure.
