## Description

Compact and functional two-bedroom apartment with 55 square meters of living space in the central Estacion de autobuses neighborhood of Torrevieja represents an excellent option for those seeking affordable and practical housing in the heart of a popular Mediterranean resort. Being in "like new" condition, this property is ready for immediate occupancy and requires no additional investments. The apartment features modern condition with quality renovation and current finishing materials. Despite compact dimensions, thoughtful layout includes two bedrooms, a modern bathroom, and a functional living area, providing everything necessary for comf...
