30 m.

Description

This penthouse with panoramic Mediterranean views sits in the heart of Torrevieja, just 30 meters from Paseo marítimo waterfront. The 103 m² layout includes three spacious bedrooms and two contemporary bathrooms.

The floor plan maximizes natural light and takes advantage of the elevated position. Living room flows into dining area, creating an open space for family gatherings. Kitchen features built-in appliances and ample storage capacity.

Master bedroom opens to the terrace and has an en-suite bathroom. Two additional bedrooms work for children, guests or a home office setup. Second bathroom serves the common areas.
