## Description

Three-storey bungalow in Guardamar del Segura offers 140 m<sup>2</sup> of living space in Los Secanos area, 850 metres from the Mediterranean coastline. The property layout includes three bedrooms and three bathrooms, providing comfortable accommodation for a family or guests.

The architectural design of the bungalow distributes living areas across multiple levels. The terrace extends the usable property area and creates additional outdoor space for relaxation. Air conditioning system maintains temperature control in living spaces throughout the year.

The property is sold furnished, simplifying the moving process and allowing i...
