Description

Beachfront studio in La Mata, Torrevieja — a rare opportunity for those who value proximity to the coast and functional layout. The 35 m² area is organized with maximum efficiency: living space, kitchen unit, bathroom and storage. Refurbished condition means you can move in immediately after purchase, with no need for renovation investment.

Distance to the sea is 0 meters. This is not a marketing exaggeration: windows offer direct sea views, and the water is literally just a few steps away. La Mata is one of Torrevieja's most sought-after areas, known for its wide sandy beach, extensive promenade and developed infrastructure. Su...
