Description

Two-bedroom apartment in Las Filipinas area, Orihuela Costa, presents an attractive proposition in the Spanish property market. The 71 m² space includes two bedrooms, one bathroom, and a terrace, providing comfortable accommodation for a couple or small family.

The property is in ready-to-live condition, which means the possibility of immediate occupancy after completing the purchase without the need for additional renovation or investment. This represents a significant advantage for buyers planning to use the apartment for both permanent residence and holiday purposes.

Orihuela Costa traditionally belongs to the popular...
