Description

Penthouse with sea views in the Zona los Frutales residential complex, Torre Vieja. Area 94 m², three bedrooms, two bathrooms. Distance to the coast — 100 meters.

The property is located in one of the developed areas of the city, where residential development, infrastructure and proximity to the sea are combined. Zona los Frutales is known for its location between the center of Torre Vieja and the beach area, making the district convenient for permanent residence and vacation.

The penthouse includes three bedrooms with natural light, two bathrooms with modern fixtures. The layout provides a spacious living room, functional...
