Description

Two-bedroom penthouse in Playa Flamenca, Orihuela Costa, offers ready-to-live accommodation of 100 m². The top-floor location provides additional privacy and natural lighting.

The layout includes two bedrooms and one bathroom. A terrace extends the usable space and creates conditions for outdoor leisure. Air conditioning allows maintaining comfortable climate throughout the year.

The residential complex features a swimming pool, typical for Mediterranean developments of this class. Playa Flamenca area infrastructure includes supermarkets, medical centers, restaurants and sports facilities within walking distance.
