Description

Elegant New-Generation Apartment on the Costa Blanca Coast in Torre de la Horadada We present an exquisite two-bedroom apartment of 78 m², located in one of the most dynamically developing areas of the Spanish Mediterranean – Torre de la Horadada, municipality of Pilar de la Horadada. This premium-class property is ideal both for year-round residence and for investment in real estate with high value appreciation potential. The apartment is situated in a modern residential complex and features impeccable condition – "like new". The well-thought-out layout includes two spacious bedrooms, two fully equipped bathrooms, and an open terrace where...
