Description

Studio apartment in Torreblanca, Torre Vieja — a 27 m² property (19 m² usable area) situated just 500 metres from the Mediterranean coastline. This residence is located in one of the well-established neighbourhoods of Torre Vieja on the Costa Blanca, offering convenient access to the beach on foot.

Built in 1991, the property is classified as ready to move in (entrar a vivir), meaning no major renovation work is required before occupancy. The studio features an open-plan layout that combines the living and kitchen areas into a single functional space — a practical configuration commonly found in coastal properties of this size.
