## Description

This apartment in Torrevieja is located in the Playa del Cura district, one of the city's central coastal zones, known for its immediate proximity to the beach of the same name and well-developed urban infrastructure. The property was built in 2005 and has undergone a full renovation (reformado), ensuring that the interior finishes and building systems meet contemporary standards. The combination of a thorough renovation and a central coastal location makes this apartment worthy of consideration.

The total area of the apartment is 78 square metres, with a useful living area of 57 square metres. The property is situated on the ground...
