Description

Real estate in Spain, Guardamar del Segura — Pueblo area apartment with 3 bedrooms and 93 m² of well-planned living space, set within a modern residential development on the Costa Blanca.

Guardamar del Segura's Pueblo neighbourhood is known for its year-round Spanish town atmosphere: everyday shops, cafés and local services sit alongside newer residential streets, making it easy to settle in for long stays or full-time living. The area works well without relying on a car for every errand, while still keeping you connected to the broader Costa Blanca lifestyle and its outdoor pace of life.
