Description

Apartment in Torrevieja — a spacious property of 105 m² located within the city. Torrevieja is a popular town on the Costa Blanca coast with well-developed infrastructure, numerous beaches, and a favourable Mediterranean climate.

The apartment features 3 bedrooms and 3 bathrooms, providing a high level of comfort for a family or shared living arrangement. Having three bathrooms is a notable advantage for apartments of this type. The property is in good condition.

The apartment is equipped with air conditioning, allowing a comfortable indoor temperature to be maintained throughout the year. This is particularly important ...
