86 m²

Description

Apartment in Torrevieja — a property of 86 m² located in the Centro district. The central part of Torrevieja is the heart of the city, with the highest concentration of shops, restaurants, public services, and transport routes.

The apartment features 3 bedrooms and 2 bathrooms. The property is in good condition. The area of 86 m² and three bedrooms provide sufficient space for family living. Having two bathrooms enhances comfort when the apartment is shared by several people.

The central location means that key urban facilities are within walking distance: the market, shopping streets, the seafront promenade, the central...
