Description

Duplex BOL-SH165 is situated in the Pueblo area of Guardamar del Segura, on the Costa Blanca coastline. The property offers a generous living area of 200 m², making it an exceptionally spacious option within the duplex category. The layout features 3 bedrooms and 1 bathroom.

The property is in good condition. The two-level layout spanning 200 m² provides substantial living space, with the potential for spacious communal areas on the first level and private bedrooms on the second. Three bedrooms allow comfortable accommodation for a family, or one room can serve as a home office or guest room.
