Description

Alicante real estate, Penthouse for sale in Benalua offers a modern way to live in one of the city's most practical neighbourhoods, where everyday services, local cafés and green spaces sit alongside easy connections to the centre.

Set within a new building (2024), this penthouse combines clean contemporary design with the comfort features many buyers look for when choosing a property in Spain for year-round use or extended stays. Benalua is known for its well-established residential feel: you can run errands on foot, reach key roads quickly, and enjoy a setting that feels lived-in rather than seasonal—an appealing balance on the...
