Description

Torre Vieja, real estate. Habaneras area, 49 m², Spain. Studio — set on the 4th floor of a building with a lift, offers a practical base in one of Torre Vieja's most established neighbourhoods on the Costa Blanca.

The studio has a total area of 49 m² and is presented in good condition, making it suitable for immediate use without taking on a major renovation. The layout is straightforward and easy to manage day to day, with one bathroom and a terrace that extends the living space outdoors. An east-facing (Este) orientation brings softer morning light, which many buyers prefer for a comfortable indoor temperature through much of the...
