## Description

Real estate in Spain, Town house. San Javier area, 3 bedrooms, 137 m2, Spain. Town house — set in the lively San Javier area, this new-build home brings together modern design and everyday practicality in one of the best-connected parts of the Costa Blanca.

San Javier is known for its year-round local life: cafés and shops that stay open beyond the holiday season, practical services close at hand, and easy road links for exploring the wider region. For British buyers looking for a property in Spain that feels usable in all seasons, the area works well whether you're planning longer stays, regular short breaks, or a future move.
