Description

Buy real estate in Torrevieja, Spain. Centro area, 3 bedrooms,, Spain. Apartment — set in the heart of Torrevieja's Centro, this home places everyday life within easy reach, with the sort of year-round rhythm that makes the town feel lived-in rather than seasonal.

Centro is known for its practical layout and walkable streets, where local shops, cafés, services and public transport sit alongside residential blocks. It's the part of Torrevieja where you can run errands without planning the day around them, and where you're surrounded by the conveniences many buyers look for when searching for a property in Spain that works for more ...
