Description

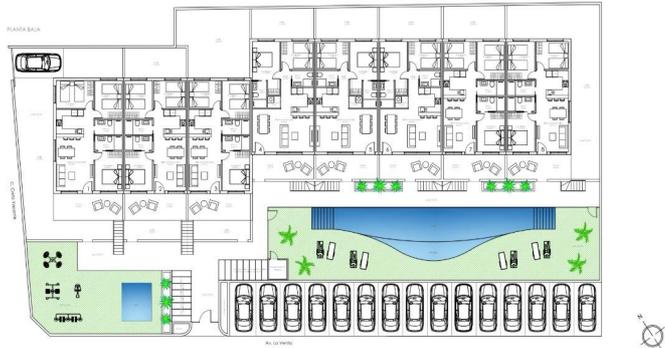

This apartment in the Zona Pueblo area of Pilar de la Horadada offers 70 m² of living space in a condition comparable to new. The property is situated on a plot of 95 m², providing additional space around the residential building. Pilar de la Horadada is a charming Mediterranean town in the southern part of the Alicante province, retaining its authentic Spanish character and appealing to those who value a tranquil life away from the bustle of larger resorts.

The interior layout includes 2 bedrooms and 2 bathrooms. With a total area of 70 m², the space has been organised efficiently, allowing each room to fulfil its function without...
