Description

This apartment in Torrevieja is located in the Acequion area, a coastal part of the city adjacent to the beach of the same name. The district is situated in the southern section of Torrevieja and is known for its proximity to the sea, the marina and the salt lake. The Mediterranean coastline is approximately 200 metres from the property, providing quick pedestrian access to the beach and the seafront promenade.

The total area of the apartment is 257 square metres. The layout includes 4 bedrooms and 2 bathrooms. The property is in good condition and does not require significant renovation work. The apartment is equipped with air con...
